

NPC Regional Assembly East

Supporting Parents
Supporting Children

NPC would like to invite you to attend an upcoming Regional Assembly meeting for parents on the topic of:

Technology in Education: Preparing Children for the Future

Join us to hear experts discuss technology in education and the impact it can have on preparing our children for the future, followed by a consultation with parents in order to inform NPC's position when advocating on behalf of parents.

This event is free of charge and all parents of children in primary school are welcome to attend. Lunch will be provided on the day.

Please visit our website, www.npc.ie for more information and to register to attend.
