

Your Parents' Association in 2021

Supporting Parents
Supporting Children

Parents' Associations have never been more important than they are now!

As children are returning to their schools and we start to emerge from our COVID restrictions, Parents' Associations (PA) have a vital role in supporting schools and supporting children to recover.

The National Parents Council Primary are here to support you in every step of what is a very different environment.

Why not become a member of NPC and take advantage of the many supports and guidance we can provide for your Parents' Association?

“When Parents are Involved Children do Better”

Although much has changed, much has remained the same

Supporting Parents
Supporting Children

Support and communication is by far the strongest and most important role for the PA at this time.

The key principles of operating a PA remain the same as ever:

- To support and empower all parents in the schools to be active in the best interests of their children's education.
- To work in partnership with the principal, Board of Management (BOM) and the whole school.

Join NPC now and:

Be part of the National voice representing parents and have your voice heard and be represented at national policy level which includes the Primary Educational Forum (including recent discussions around Covid), HIQA group, NCCA, NCSE.

- Avail of NPC services - training for parents and the helpline
- Come along to a PA clinic to hear what other PAs are doing and network with other parents
- Avail of a 33% reduction in NPC Training course fees
- Avail of a reduced rate for Parents' Association insurance
